陈轴：平静 # 7

*Chen Zhou: Stayed, 7*

*11/02/2019 - 12/15/2019*

*Hunsand Space, Beijing*

拾萬空间非常荣幸地带来陈轴的个人展览项目：平静 # 7。这是陈轴的第四次个人展览。他这样来描述本次项目：“如同一瓶浑浊的水，静置久了，尘埃落定，水自然清澈透明，呈现出平静。然而水的平静来自于瓶子长时间的静置‘stayed’。此次展览的作品就是那些尘埃。”这次展览是由陈轴近几年的影像、综合媒介以及装置作品组成。这些作品在暗合“stayed”这个状态的同时也是对“无生无死”这个佛家词汇的现实回应。

*Hunsand will be very pleasure to present a solo exhibition from Chen Zhou: Stayed, 7. This exhibition will be the fourth solo project of Chen. He described the exhibition: like a bottle of turbid water with many dusts floating in it has stayed for long time then it becomes pure and calm. This situation is from the progress of the bottle staying. Artworks that will be shown in this exhibition are those dusts in the bottle. Stayed, 7 includes videos and installation artworks made by Chen Zhou. All the artworks vaguely point to a situation “stayed”, also echo to a Chinese Chan Buddhism word “wushengwusi”(a middle way between live and death achieved by Shakyamuni).*
